ParkMedford Parking Program

The City of Medford is announcing that the on-street meter and neighborhood enforcement program is underway and scheduled to “go live” in mid January, 2015.

Highlights of the parking enforcement program include:

Pay-by-Plate Technology, solar powered multi-space kiosks and a rate structure of \$1/hour or 25 cents per 15 minute increment.

In addition there will be:

- Two 30 minute free parking spaces and Four paid single space meter spots in each district in addition to the kiosks
- Kiosks on Playstead Road (Commuter on street) and along Boston Avenue by Tufts will have a daily max rate of \$5.00.
- Ambassador Program in the districts one week prior to implementation to guide consumers
- \$250,000 annually will be subject to appropriation for district improvements.
- City of Medford will continue to be the Hearing Officer for appeals of parking tickets
