

## RESIDENTIAL PERMITS

Thank you for purchasing your **RESIDENTIAL PERMIT PARKING** decal at Park Medford. This permit allows you to park your vehicle in a legal parking space, anywhere on your residential street.

Below please find some important information that you may find helpful with regard to the Parking Enforcement Program.

**RESIDENTIAL PERMIT PARKING** decals must be permanently affixed to the *driver's side-lower front windshield of your vehicle*. Failure to have your decal properly placed may result in a citation being issued for parking on a RESIDENTIAL PERMIT

PARKING ONLY street. **The permit is to be used only on your street.**

Two VISITOR PASSES will be issued along with your parking permit. **Only two (2) VISITOR PASSES are allowed per household.** The VISITOR PASSES are to be used only by your guests for a **two consecutive day stay**. If the VISITOR PASSES are found to be used longer than the two day allowance, a violation citation will be issued for overuse of the VISITOR PASS. Continued misuse of the VISITOR PASS will result in loss of privileges of both the RESIDENTIAL PERMIT PARKING and the VISITOR PASSES. If a VISITOR PASS is lost or damaged, a replacement cannot be issued.

The cost of a Residential Permit is **\$10.00** for one full year from the date of purchase. ***Purchased permits are non-refundable.***

Our office suggests you sign up for City of Medford informational alerts which will keep you updated of any activities

that may impact parking around the city.

We suggest you check the following websites:
